

GIBB & CO

ADVOCATES & SOLICITORS • NOTARY PUBLIC

Gibb & Co is an established firm, that brings together the best people across our offices to provide a steadfast and staple array of legal services focusing on Client-Partner relationships.

GIBB&CO
ADVOCATES & SOLICITORS • NOTARY PUBLIC

Our Values

Compassion

Our genuine care to help resolve problems lies in our compassion for the communities we work within to constantly make them better. Without compassion, one cannot get the best solution.

Communication

One of the most important aspect of communication is by listening to our client's perspective and objectives to understand a client's requirements, business and corporate culture.

Creativity

By thinking out-of-the-box, we craft creative solutions for client while mitigating any risk. Providing solutions to better equip them to deal with the ever evolving business environment.

Perseverance

With perseverance, anything and everything can be achieved.

Negotiation

We take a pro-active stand and seek alternative solutions to address legal issues in the hope of avoiding litigation.

Integrity

We maintain a high standard of professionalism, integrity and ethics by performing an overall assessment of every brief, we advise our clients on the best course of action without compromising our integrity.

Our History

Founded over a century ago, GIBB & CO. is one of the most established firms in Malaysia.

1892

Our founding partner Alfred Montagu Gibb arrived at shores of Malaya in Penang on a British Ship from Britain and he set up Gibb & Co in IPOH in 1892 and when he retired in 1906, Ashworth Hope took over as partner and changed the firm name to Gibb & Hope till mid 1930's before he return to England and the remaining partners then reverted to the original name of Gibb & Co.

1930

With the rise in Malaya's tin mining & rubber industry we expanded to Ipoh.

1930s

While playing an instrumental role in the development of the state of Perak, Ipoh branch came to the fore as the principal office.

2005

In order to cater to the demands of the communities, the Teluk Intan Office was established.

2009

On this year, the firm made a return to the Island of Penang.

2017

Due to the increasing demands by the Firm's existing business partners and clientele, the Firm expanded its services into the Nation's Capital.

Meet Our Lawyers

We invest in our people to be better stakeholders for our Client-Partners. Our lawyers are vastly experienced in their array of expertise, dedicated to our clients' cause and committed to the betterment of the community.

Experience tells you what to do,
confidence allows you to do it.

Zorinah bt. Mohd Sobri

Experience

Kenny is the Senior Partner in charge of both the Northern Region and Federal Territory Office and was called to the Malaysian Bar in 1997. He has a wide -ranging practice with particular emphasis on professional negligence, corporate, commercial, land and construction disputes specializing in Appellate Advocacy in most areas of law where he frequently acts as Lead Counsel.

A number of these cases have been reported in the Malaysian Law Journals where among them involved appearing as Lead Counsel at the Federal Court on the issue of defeasibility of a Charge security over a property due to its Malay Reserve Land Status and representing a Kedah Local Authority at the Appellate Court in a land dispute involving the acquisition and compensation of land.

He has also successfully acted for a major Developer in a lease tenancy contractual dispute involving a foreign corporation and for professional consultants both in a dispute at the Appellate Courts that determined the legal duty of care owed to purchasers of a development and for another at the State Commission Inquiry involving the collapse of a retaining wall at the Granito Project.

His recent cases at the Appellate Courts includes litigation in the fields of construction dispute, Judicial Review on matters pertaining to development relating to land conditions and planning permission approvals and on compliance with the Town and Country Planning Act 1976 and constitutional issues involving Stateless Children applying for Citizenship.

Area of Practice

- Commercial
- Asset Recovery and Injunctive Relief
- Construction Law
- Arbitration
- Professional Negligence
- Public and Regulatory
- Local Government
- Land Disputes
- Rule of Law

Carpe Diem.

Malaysia.

T: +603 2856 9771

F: +603 2856 9772

E: admin-kl@gibblawyers.com

Experience

Yap began his legal career as a law tutor in a private institution of higher learning and he came into legal practice in 2005 under the chambers of Kenny Chan.

Yap's legal practice mainly encompasses matters related to family law [divorce, children and matrimonial proceedings], alternative dispute resolution and corporate documentation [such which includes but not limited to the drafting of Share Sale Agreement, Subscription of Shares Agreement and Shareholders Agreement] as well as corporate governance. He advises corporate clients on corporate acquisitions and conducts legal due diligence to facilitate such acquisitions.

He also represents both individual and corporate clients in real estate transactions [such which includes but not limited to the drafting and attending of Sale & Purchase Agreements and Financing/Loan related documentation] and regularly attends to project development work.

Area of Practice

- Alternative Dispute Resolution [Mediation, Arbitration & Adjudication]
- Corporate Documentation
- Corporate Governance & Legal Due Diligence
- Regulatory and Compliance
- Real Estate Documentation
- Corporate & Retail Financing Documentation
- Family Law [Divorce, Children and Matrimonial Proceedings]

Yap has acted as Counsel for Financial Institutions for the recovery of forfeited property under the Dangerous Drugs (Forfeiture of Property) Act 1980, Customs Act 1967 and Anti-Money Laundering and Anti-Terrorism Financing Act 2001.

As part of his continuing professional development, Yap had completed the KLRCA Certificate in Adjudication Course [under the Construction Industry Payment and Adjudication Act (CIPAA) 2012] and is empanelled as an Adjudicator with the Asian International Arbitration Centre (formerly known as KLRCA). He is also a pioneer Fellow member of the Asian Institute of Alternative Dispute Resolution (AIADR) and has been empanelled as a Mediator and Arbitrator of the AIADR for the term of 2022-2025.

A believer in human capital, Yap also holds a Post Graduate Diploma in Human Resources Management.

People do not win people fights.
Lawyer do.

F: +604 891 7007

E: admin-pg@gibblawyers.com

Experience

Ms. Ong was called to the Malaysian Bar on 2008 and is the Executive Partner that co-oversees the management and administration of both the Northern Region and Federal Territory offices. In addition to her administrative duties, Ms. Ong's practice has experience in a wide variety of areas in civil law with particular emphasis in financial services and banking litigation, construction law and arbitration.

She regularly acts for and provides advisory to major financial institutions on matters of debt recovery, liquidation and insolvency. She undertakes advocacy at all levels and has appeared in a number of reported cases both as lead counsel as well as assisting counsel to the Senior Partner Chan. One of her notable reported cases was her successful representation as Lead Counsel for a number of the Petitioning Creditors in a bankruptcy proceeding at the Penang High Court. Ms. Ong is also a key member of the Firm's Arbitration team and regularly co-ordinates the firm's legal documentation in arbitration proceedings.

Ong's immense knowledge in civil procedures at both the courts of first instance and appellate courts also equips her to provide guidance and serve as supervising partner for the junior associates of our firm.

Area of Practice

- Financial Services and Banking
- Debt Recovery
- Alternative Dispute Resolution [Arbitration & Adjudication]
- Insolvency Law

- Pro Bono Legal Services

Our Legal Services

In our Client-Partner relationship, we listen with compassion to understand our clients, their business, its corporate culture so as to better equip our clients for the ever-evolving complex environments and provide winning solutions while mitigating the risks.

Practices

Administrative Law

Law dealing with the establishment, duties, and powers of and available remedies against authorized agencies in the executive branch of the government.

Overview

We are at the forefront of issues which are of public concern to the community as well as for the commercial and industrial sectors with matters relating to complex public laws. The act, omission and neglect by any Public Authority is analysed against the prejudice and detriment to the community. Our objective is to engage public authority into a discussion and to make decisions which will serve to benefit the community.

Our lawyers are experienced judicial review, tribunal proceedings, disciplinary proceedings and statutory appeal work.

How We Help

- On breaches under Town & Country Planning Act 1976, Local Government Act 1976 & Street Drainage & Building Act 1974
- On Forfeiture & Compulsory Acquisition by Local Authorities
- Applications for Judicial Review, Declarations & Injunctions

Alternate Dispute Resolution & Litigation

The procedure for settling disputes without litigation, such as adjudication, arbitration, mediation, or negotiation while litigation is the process of taking legal action.

Overview

We assist to balance our client's objectives with regards to their legal and commercial risk and guide them to solve disputes efficiently and effectively. Disputes can be commercially and emotionally exhaustive for the parties involved. We strongly believe in the benefits of Alternative

Dispute Resolution namely Adjudication, Arbitration and Mediation as an alternative to litigation.

In the event litigation is unavoidable or at the preference of our client, our tenacious lawyers have a vast experience in general litigation matters.

How We Help

- Banking
- Corporate
- Insolvency Securities
- Winding Up and Breach of Duty by Directors Employment
- Construction & Building Contracts
- Land Disputes
- Sale of Goods
- Insurance Securities
- Motor Vehicle Accidents Claims
- Medical Negligence

Banking & Finance

Law that addresses the operations of banks and other regulated & licensed financial institutions.

Overview

In the evolving financial environment of today, with the experience of our lawyers, we are adept at advising financial institutions in relation to loan and financing structures and security.

How We Help

- Security / Collateral Documentation
- Legal Charges and Related Documents
- Loan Agreement cum Assignment and Related Documents Master Indemnity Agreements
- Bridging Loan Agreements
- Islamic Financing Documentation
- Trade Financing Documentation

Construction & Engineering Law

In a developing nation like Malaysia, the construction and engineering industry is evolving and revolving rapidly every minute of the day.

Overview

The Construction and Engineering area of practice in the Firm is helmed by the Senior Litigation Team comprising of Senior Partners and Partners who had represented Professional Consultants, Developers and Contractors [both Main and Sub-Contractors] in contentious litigation proceedings, alternative dispute resolution matters and State Commission Inquiry.

This division of our Firm's legal practice also provides consultative and advisory services to the client in the construction and engineering industry particularly on development project management and preventive risk management matters. The Senior Litigation Team also engages with the Professional Consultants' accredited bodies in preliminary assessment of regulatory compliance in the construction and engineering aspects of buildings.

The Firm has also conducted talks and trainings for members of the Persatuan Arkitek Malaysia [Northern Chapter] particularly on the landmark case of LOH CHIAK EONG & ANOR V LOK KOK BENG & ORS [2013] 1 MLJ 27 and LOK KOK BENG & 49 ORS V LOH CHIAK EONG & ANOR [2015] 4 MLJ 734 which determined the extent of Professional Negligence in the Construction Industry.

How We Help

- To manage Project Development legal issues
- To conduct risk management and preventive measures in progress claims
- To assess the legal issues arising from the scope of duty of care of Project Consultants
- To provide preliminary assessment and advisory on defective and non-compliance of buildings with the approved Building Plans by regulatory statutory bodies

Corporate & Commercial Law

Law governs the formation of companies, corporate restructuring, shareholder rights, mergers, and acquisitions and commercial transactions.

Overview

With our dedicated team of corporate lawyers, we support your commercial decisions by investing time in understanding your objectives and working alongside you to achieve them by advising on a wide range of corporate and commercial law services such as banking and finance, company incorporation, privatization, accounting, joint ventures, insurance, investment and real estate.

For Corporate Restructuring, we provide innovative, practical legal solutions to clients involved in distressed company situations. Our experience across a variety of industries and with all types of restructuring, combined with our wide-ranging practice capabilities and dedication to client service, allows us to address clients' needs in any restructuring situation. Our lawyers have a very diverse skill set, spanning dispute resolution, mergers and acquisitions, capital markets, and finance. This equips us to deal with the complex issues that arise in workouts, the rehabilitation process, and solvent reorganisations.

How We Help

- Incorporation
- Joint Venture Agreements
- Purchase of shares
- Registration of off shore company
- Partnership deeds and Shareholders Agreements
- Sale of Goods
- Contract for Medical services, equipment & facilities
- Assist companies with establishing operations in Brunei Darussalam in association with local partners.
- To give effective and expedient responses.
- To provide innovative and economically efficient strategies for our clients, including debt and equity exchange offers, purchases and sales of distressed assets.
- To assist clients to minimize costs, enhance value and properly position themselves for the future.

Criminal Law

Law concerned with the punishment of offenders, threatening, harmful, or otherwise endangering to the property, health, safety, and moral welfare of people inclusive of one's self.

Overview

With our experienced and dedicated lawyers, we handle a broad spectrum of cases which are of diverse criminal nature with tenacity. Whatever the challenge, we partner with our clients every step in the process

How We Help

- The Penal Code
- Road Transport Act
- Prevention of Corruption Act
- Companies Act
- Firearms Act
- Dangerous Drugs (DDA) Act
- Employee Provident Fund (EPF) Act and Social Security (SOCSO) Act
- Security Industries Act
- Local Government Act and subsidiary legislation
- Dangerous Drugs (Forfeiture of Property) Act 1988
- Security Offences (Special Measures) Act 2012
- Customs Act 1967

Debt Recovery

Debt recovery is the legal process of recovering payments which are due for services, goods or monies owed by individuals or corporations.

Overview

Our experienced legal team has the expertise in various legal processes in resolving unwanted payment problems. The Debt Recovery practice at Gibb & Co. is extensive and diversified ranging from the corporate and retail banking & financial institutions industry to trading houses and construction industry payment claims. This area of practice includes the preliminary issuance of notices to the enforcement of Judgments and Orders. Our team of lawyers are well equipped to support and advise our Clients in the Alternative Dispute Resolution mechanism and negotiation exercises for amicable settlement with the defaulting party.

How We Help

- To advise on the nature of debt and the relevant course of legal proceedings or alternative dispute resolution [which includes claims made under the Construction Industry Payment and Adjudication Act (CIPAA) 2012]
- To provide innovation and economical strategies to our Clients for debt recovery processes
- To risk manage and minimize bad debt exposure

Family Law

The branch of law that deals with matters relating to the family, such as divorce and child custody.

Overview

Family and matrimonial disputes are sensitive matters and we believe that litigation should be the last resort. We guide our clients towards settlement by focusing on solutions and conclusions that are viable for all parties. In the event we move onto litigation, our priority is to safeguard our clients' interest.

How We Help

- Deed of family settlements
- Divorce, Nullity
- Custody & Maintenance
- Adoption

Industrial & Human Resources

The area of law that governs the employer-employee relationship.

Overview

Employment law has become increasingly complex in view of numerous status which protect the rights and interest of workers / employees. In view of such complexities, we are focused in practical outcomes which benefit both the Employer and the Employee.

We offer practical solutions by providing "hands on" advise in respect of disputes which arise in the work place. We work closely with our clients to manage employment and safety risks, protect corporate reputation and manage employer-employee relations as these are factors that impacts our client's commercial decision-making.

How We Help

- Reorganisations and separation of work force to ensure companies operate profitably and efficiently
- Creating strategies on the right sizing of companies
- Drafting of Contracts of Employment and HR Policies to ensure that they are in compliance with local legislation
- Preparation of performa letters to assist in management of indiscipline and misconduct which is consistent with the legal requirements for fairness and just cause
- Assisting with setting up of a domestic inquiry panel to investigate any allegations of misconduct
- Drafting of necessary documentation for the performance improvement process within organisations
- Industrial Court/Labour Court Representation

Insolvency & Liquidation

The inability to pay debts entails the application of insolvency laws and is not limited to individual but also corporations.

Overview

In challenging times, the insolvency of any individual or corporation requires the examination of the current applicable laws and regulations. Constantly engaging with both Government Insolvency Officers and privately appointed Receivers and Liquidators, the Firm has the expertise and experience in providing advisory and solutions to both the Creditors and the insolvent party on the legal positions and avenues available to the respective party.

How We Help

- Assessment of the solvency status of the party
- Advisory on the legal position of the Creditors and the insolvent party
- Advisory on the possible resolutions to legal position of the Creditors and the insolvent party

Insurance

The practice of law surrounding insurance, including insurance policies and claims.

Overview

Our lawyers have a deep understanding of the regulatory and legislative environment for insurance. We service policy holders and numerous insurance companies. Our experience gives us an insight to both sides and we use our expertise in our approach.

We predominantly advise or represent our clients in motor vehicle accident (MVA) claims, recovery of premiums and performance bond recovery.

How We Help

- General insurance namely Fire, Theft, Property Damage Professional Indemnity & Medical Negligence
- Recovery of payment to a Third party
- Public Liability
- Construction All-risk

Intellectual Property

The domestic and international laws on copyrights, patents, trademarks and trade secrets that relate to the proprietary rights and interest in the intangible creations of the human intellect.

Overview

Training

Overview

Training is an integral part of the firm's practice. We believe in better equipping our clients in the manner they manage their organization, advising and addressing issues in their operations. Over the years we have conducted training for several of our clients in the areas of Insurance, Employment, Banking & Commercial law and Construction Law.

Some of the topics we have covered

- Understanding the Employment Laws of Brunei Darussalam
- Safeguarding your company's interest in commercial transactions
- The role of the Industrial Court
- Assessing documents for Motor Vehicle Accident Claims
- Understanding Termination, Retrenchment & Redundancy
- The role of Adjusters in Motor Vehicle Claims Investigations
- Risk Assessment on Property & Banking Security Documentation • Recovery Rights of Financial Institutions for Abandoned Projects • The Amendments To Improve The Housing Delivery System
- The Architect's Duty Of Care

Notarial Services

Overview

We offer Notary Public services for attestation and notarisation of documents in Malaysia. We are a firm which has been providing a wide range of legal services in the bustling business hubs of Malaysia

Notaries Public are internationally recognised witnesses whose primary functions include the authentication and attestation of documents to be used overseas and locally (when necessary) The service is essential for the certification of documents namely identity cards, passports and certificates. In addition, the attestation is essential in the transfer of properties and estate and probate matters and any other legal matters beyond the jurisdiction of Malaysian Law.

The benefit for such a service is that it saves an individual time and the cost of travel of attending to the matter personally overseas
